 - Referrals for handyman jobs like window repair, carpentry, etc. possibly on Next Door site;

 - Millikin has adopted the plantings along Main Street.
- Discussed the fact that there are a number of organizations in the area, like School Board, City Council, Oakwood Business Group, CONO (fourth Tuesday of month at the library), etc. that could use some Millikin Heights ambassadors to act as representatives.
- Discussed the possibility of a neighborhood social gathering at a venue like LSB in conjunction with the November Board Meeting. Need to decide how to organize/ advertise social gatherings.
